

# GRADUATE TESTIMONIALS

Jane Shortall  
Atkins Limited

Why did you choose to join Atkins as an undergraduate?

“ Atkins has a great reputation as both a consultancy and a graduate employer; they have a really structured graduate scheme, which is exactly what I was looking for to start my career. ”

What advice would you give to a student looking for a placement?

“ Definitely consider Atkins- you’d be part of a world class organisation with all the opportunity and support in the world! The whole experience from the application stage to really getting involved with major projects straight away has been fantastic, and definitely worth all that hard work at university!”

How did you find the application process?

“ I found the application process an extremely positive experience; the organisation, friendliness, and general culture of Atkins that came through, particularly in the Assessment Centre, really influenced my decision to join Atkins.”
